

Electronic Waste Recycling

Clay County Department of Environmental Services has expanded the Electronics waste recycling program to include drop off locations at two of the County's Environmental Convenience Centers (ECC's). These locations are Doctors Inlet ECC located at the end of Sleepy Hollow Road off CR 220 and the Keystone Heights ECC located on CR 214 in Keystone Heights. Clay County residents are encouraged to bring in unwanted electronics to be recycled in a safe and proper way. The hours of operation for the ECC's are Thursday through Saturday from 8am to 6pm. Rosemary Hill Solid Waste Management Facility, located at 3545 Rosemary Hill Road in Green Cove Springs will continue to accept E-waste Monday through Saturday from 7:30am to 5:30pm.

Electronics acceptable for recycling at no charge include the following:

- Computer monitors and terminals
- Large computer peripherals (printers, scanners, fax machines, etc.)
- Small computer peripherals (keyboards, mice, game hardware, external drives, modems, cables, etc.)
- Telecommunications devices (phones, cell phones, pagers, hand-held devices, etc.)
- Video & Audio equipment (stereos, VCR's, digital cameras, radios, tape players, etc.)

These locations are open to Clay County residents only and no commercial wastes will be accepted.

For more information, please call 904-284-6374 or 904-269-6374.
