

LA VC Zoning District

**Please refer to Lake Asbury Land Development Regulation document for specific design criteria.

The Base Zoning district is **VC**. Other Zoning Districts permitted are PO-1, PO-2, PO-3, PO-4, PO-5 and PS-1, PS-2, PS-3, PS-4 and PS-5. Village Centers shall serve as the mixed-use focal point and central place of a village, and shall provide community shopping, parks and may incorporate elementary schools, arranged in a walkable and human-scale manner. The retail and office component is limited to small-scale uses, except for stand-alone grocery stores and drug stores. Village Center size may not be greater than 75 acres, with this figure not including schools and community parks. There shall be no more than nine Village Centers in the LAMPA. Village Centers must be located around the intersections of roads classified as minor collector and above.

Residential uses are allowed in the form of small-lot single-family subdivisions, townhomes, apartments, and upper floor units above nonresidential uses, all with a required traditional neighborhood development design. Project residential density shall be between six and 10 units per acre, not applicable to upper floor units in nonresidential developments. Projects utilizing upland preservation density bonus units shall be allowed a density of up to 12 units per net acre. Nonresidential Project Floor Area Ratios shall not exceed 70%. Commercial uses must either be in a compact, walkable form. (minimum 15 acres in size) or as first floor uses under residential or office uses.

Village Centers in the Rural Community may only include elementary schools, parks, and rural commercial development, defined as individual buildings (excluding schools) less than 5,000 square feet in size and total building area less than 15,000 square feet.

The Village Center shall be designed to provide connections to the surrounding pedestrian/bicycle path system and to integrate with the street network of surrounding neighborhoods. Open space requirements may provide park space in the form of civic spaces, plazas, and urban parks, as well as community parks.

All development is subject to the Lake Asbury Overlay Standards.
