Attn: Mitigation Planning Unit

Mr. Anderson,

This letter is to serve as the transmittal of the draft Clay County Local Mitigation Strategy Update for 2009 – 2010. Included with this letter is compact disc which contains an electronic copy of the Crosswalk as well as the Clay County LMS draft document for your review and comment.

Please confirm receipt of this letter and corresponding information to Mr. Jason Taylor, Regional Planner with the Northeast Florida Regional Council; he may be reached at: (904) 279-0885 ext. 136, or jtaylor@nefrc.org

In addition, I would like to inquire as to the anticipated date of completion for review of this document. Once finished, Mr. Taylor and I can address any necessary revisions to the document before the County and jurisdictions are approached to formally adopt the LMS.

Thank you for your assistance.

Sincerely,

Maria Haney
