A MESSAGE ABOUT FLU SHOTS FROM THE DEPARTMENT OF HEALTH IN CLAY COUNTY

Contact:
Erica Wingo
Florida Department of Health in Clay County
904-529-2800

Green Cove Springs – Get vaccinated today!

For those who have still not received a flu shot this year, it's not too late! Annual vaccinations are safe and provide protection for each flu season. Getting vaccinated yourself also protects people around you, including those who are more vulnerable to serious flu illness, like babies and young children, older people, and people with certain underlying health conditions.

“Our continuing mission is to prevent, protect and promote improved health of all members of Clay County. Promoting flu vaccination is one of the ways that we promote and protect the health of community members in Clay County and by providing this service we are reaching the community members who may not have access otherwise to this prevention strategy” says Heather Huffman, MS, RDN, LD/N, IBCLC Administrator/Health Officer.

Community Outreach Event by the Department of Health in Clay County

What: Flu shots at NO cost

When: Every week day until supplies last.

Time: 8:00am – 11:00am & 1:00pm – 4:00pm

Where: 1305 Idlewild Avenue, Green Cove Springs, FL 32043

&

3229 Bear Run Blvd. Orange Park, FL 32065

Good hygiene habits are essential to keep from spreading the flu by properly and frequently washing your hands. Make it a habit to clean and disinfect commonly used surfaces in your home, school or office. Furthermore, cough or sneeze into a tissue or your elbow and avoid touching your face.

In addition to this event, flu vaccines are available at our Bear Run Clinic 3229 Bear Run Blvd. Orange Park, Florida 32065. Monday – Friday 8:00am – 11:00am and 1:00pm to 4:00pm. No appointments are needed. Questions can be answered by calling 904-529-2800.
